a) *Trash and laundry.* No collection, storage for refuse, debris or garbage generated by any use shall be allowed in this district when such storage is visible from publicly owned streets. No hanging of laundry, cleaning rags, mops or similar items shall be allowed within view of publicly owned streets. Screening structures erected to obscure such items from view from publicly owned streets shall meet applicable city specifications for materials and construction as set forth in [Section 24-513](#)

b) *Sidewalk sales.* The open display of merchandise shall only be permitted wherein a permit shall have been previously issued by the Building Official, for a period not exceeding two (2) successive days and not exceeding four (4) times per calendar year.

C. *Standard regulations for Commercial, Institutional and/or Residential Structures.*

1) *Size and area.*

a) **Minimum lot area: 5,000 square feet.**

b) *Minimum lot width:* 50 feet.

c) *Minimum lot depth:* 50 feet.

d) Maximum building height: Two (2) stories, not to exceed twenty-five (25) feet to the top plate of the second story and thirty six (36) feet at any ridge pole. Cooling towers, chimneys, radio and television antennas, vent stacks and similar extensions may extend for an additional height, the total not to

exceed forty (40) feet. A greater height may be permitted in the granting of a specific use amendment for radio, television and microwave antenna or tower.

e) *Maximum floor area to lot area:* 50 percent of lot area per floor with a minimum residential area of nine hundred (900) square feet per unit.

f) *Minimum required yards:*

i. **Front yard: Fifteen (15) feet;**

ii. *Side yard:* No side yard is specified except that:

aa. Where a side yard abuts a lot which is either zoned residential or in residential use, the minimum side yard shall be ten (10) feet; or

bb. On a corner lot which is either zoned residential or in residential use, both street exposures shall be treated as front yards on all lots platted after the date of enactment of this chapter, except that where one street exposure is designated as a side yard by a building line shown on a plat approved by the Planning and Zoning Commission, containing a side yard of ten (10) feet or more, the building line provisions on the plat shall be observed; on lots which were official corner lots of record prior to the date of enactment of this chapter, the minimum side yard adjacent to the side street shall be ten (10) feet;

iii. **Rear yard: Ten (10) feet.**

g) *Maximum lot coverage:* 90 percent of lot area when at least 50 percent of the remaining ten (10) percent of green area shall be located in the front yard space or, in the alternative, 75 percent of the lot area.

h) *Maximum lot coverage bonus:* The maximum lot coverage, as herein provided, may be increased by one square foot of landscaped area which is permeable and within the area encompassed by the drip line of a tree that is at least four inches in trunk diameter, measured four feet off the ground, and located within the front yard space. The Building Official of the City of Bellaire shall be permitted to grant the lot coverage bonus in accordance with this provision for either trees planted on the building site or within a public street right-of-way that is adjacent to the property upon which the building site is located. For trees planted within the adjacent and abutting right-of-way, credit may be extended up to a maximum lot coverage of 100 percent. All trees shall be planted in accordance with the provisions of this Code (Section [24-513](#)) and the prevailing Tree Ordinance.

i) *Sidewalks:* Sidewalks shall be required along each side of the lot which abuts a public street. All sidewalks shall be constructed in accordance with the requirements of the City Code.

j) *Parking:* A minimum number of parking spaces shall be required as provided in [Section 24-514a](#) of the City Code.

D. Planned Development: Commercial or Combined Commercial and Residential. Commercial or Combined Commercial and Residential planned developments may be approved in this District under the amendatory procedures of this chapter, subject to the following restrictions and limitations:

(1) *Size and area.*

a) *Site area:*

1) **Shopping center or combined shopping center and residential development: The minimum site area shall be three (3) acres.**

2) **Office plaza or combined office plaza and residential development: The minimum site area shall be one (1) acre.**

b) Maximum building height:

1) Shopping center or combined shopping center and residential development: Two (2) stories, except that cooling towers, roof gables, chimneys, radio and television antennas, vent stacks and similar extensions may extend for an additional height, the total not to exceed forty (40) feet above the average level of the base of the foundation of the building; a greater height may be permitted in the granting of a specific use amendment for radio, television and microwave antenna or tower.

2) Office plaza or combined office plaza and residential development: Three (3) stories, except that cooling towers, roof gables, chimneys, radio and television antennas, vent stacks and similar extensions may extend for an additional height, the total not to exceed fifty-one (51) feet above the average level of the base of the foundation of the building;

c) *Maximum floor area to site area:*

1) *Shopping center:* 34 percent of site area.

2) *Office plaza:* 60 percent of site area.

d) *Building lines:* Building lines shall be computed on the basis of a ratio of one (1) foot of building height per one (1) foot of distance between said building lines and the nearest point on any lot zoned residential or in residential use that is outside of the proposed planned development district and existing on the date said planned development district is established by ordinance. However, in the event that the new proposed building faces an existing commercial structure, the building line requirements shall be established by the approved site plan.

(2) *Sidewalks.* Sidewalks shall be required as established by the planned development amendment.

(3) *Screening.* Screening shall be required between the planned development district and abutting property in residential use or zoned residential, according to the specifications set forth in [Section 24-513](#) of Division 1 of this Article.

(4) *Landscaping.* None is prescribed except as may be established by the planned development amendment.

(5) *Outdoor lighting.* All outdoor lighting shall be located, screened or shielded so that adjacent residential lots or structures are not directly illuminated.

(6) *Accessory uses.* In a commercial office building, residential and retail accessory uses to the predominant office use may be allowed so long as the total area occupied by such accessory uses does not exceed 33 percent of the total use and so long as the number of dwelling units does not exceed 18 per acre for the total project site.

(7) *Parking.* A minimum number of parking spaces shall be required as provided in [Section 24-514a](#) of the City Code.
